

Cultural heritage of Finno-Ugric peoples

Department of Folkloristics of the Estonian Literary Museum

20 years of Finno-Ugric books

We publish different archive and expeditionary materials, as well as researches based on them. Many of studies were issued in a scholarly periodical *Sator*, and we publish monographs and collections of current articles by finno-ugric researchers as well.

Topics of publications vary from mythology and any genres of folklore to customs and ethnosemiotics, etc.
